Dear Kimmer,

Boy, it was nice of you to "save" 4 pages for me! This is pretty cool. I'm actually the first one to write in here! I know that that's only because you haven't been in school though?! :-)

Well dear, we're actually nearing the end!! It seems like we were just in grade school - thank goodness we aren't! I'm <u>almost</u> gonna miss some things about school, but not too much! We're gonna have fun once we're out!

This is gonna be a great summer! Especially starting June 13 at the beach! :) I don't know what I'm gonna do when I have to leave and not see everyone for months & months. I'll expect <u>at least</u> one letter a week from you telling me about all the fun you're having without me. :P You can tell me about all your men and I can write you all about how hard college is and how bored I am. Not really - I don't plan on overworking myself with homework! You, Judy, & Marianne should come and visit me sometime.

(Well Babes. I hope you don't mind a different color ink but it's the best I could do)

Thank you for being such a hon! I appreciated you listening to all my problems (with someone who shall remain nameless!) and giving me advice about how to handle creeps! :) Just kiddin - he's not that bad I guess. I don't know what I'd do without your shoulder to cry on. (Literally!)

I'll never forget some of the great times we've had (and the o[illegible]re gonna have this Summer! :)) You've made me laugh more than once and I love ya for it!

Take care of yourself & stay off weird diets! I won't always be there anymore to yell at you to eat right! :P

Luv ya forever & ever! Your best buddy

Hi Kimmerburs! ☺
I thought I'd write here right by Julie. (Oh no! I sure hope she doesn't need this page - oops! Sorry Jule! ☺)
Well, we made it through this Semester of Pers' Eng. Class - yuck! I just hope we pass the exam. It seems so weird that we'll be graduating in one week - these 4 years have flown by so-oo-oo fast! I wish we could have been in more classes together, but even separated, we've remained good friends (though not quite as close as we used to be.) ☺ I hope this summer we can do alot together and build up that "best friends" friendship again. We've shared many special times hon - late night talks on the phone, staying over night together, riding bikes to the beach, and "running" together in track (which I miss very much!) you'll always occupy a large part of my heart and that's because I treasure your friendship so much. When I'm on Swim this summer I hope you'll write me so I won't get lonely. O.K.? ☺ And this summer we'll definitely have to get together and hit the beach when I'm home. ☺
Well, I wish you the best of luck in everything you do in life and may God's blessing be upon you always. Take it easy on all the guys and let's keep in touch - you mean so much to me, Kimmer! ☺
P.S. "Live a life of love, love and friendship forever,
just as Christ loved us
and gave himself up for us..."

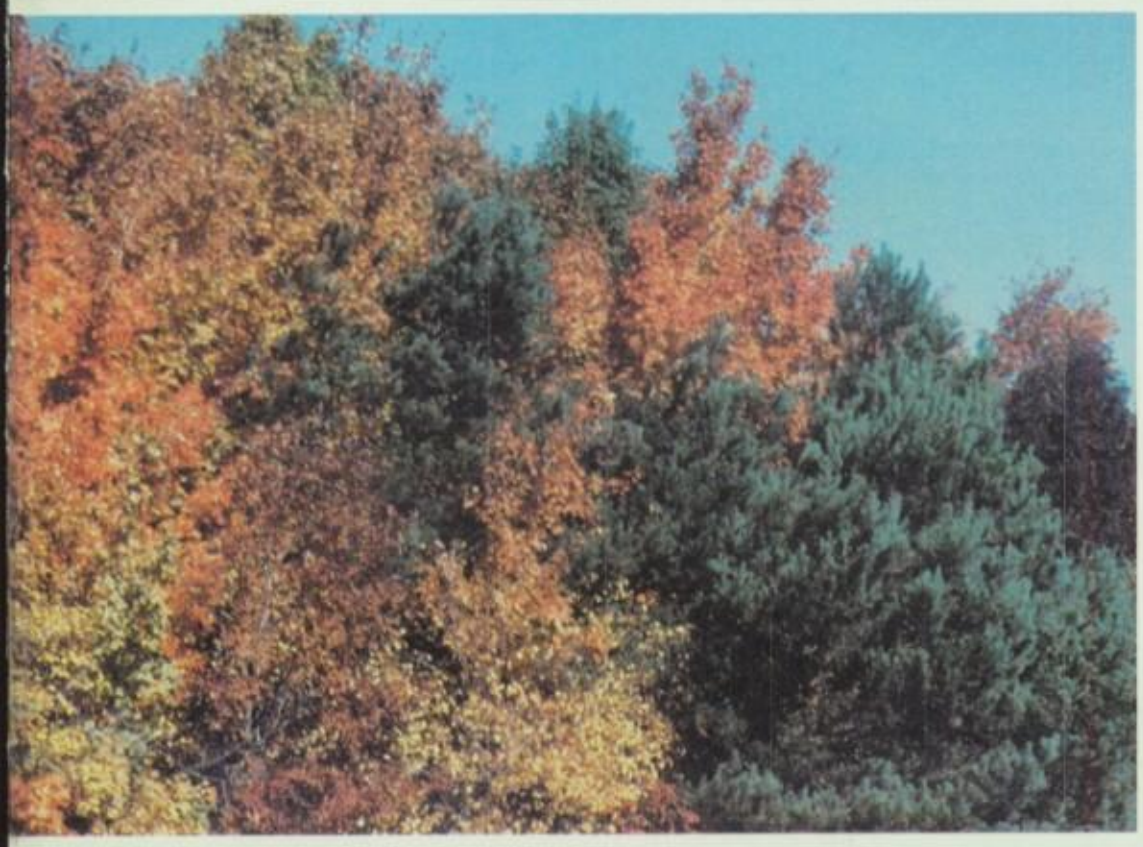
Looking back into our past here at Holland Christian, we can reflect on the many different experiences that we have been a part of . . .

The Thrill of Victory
The Agony of Defeat
The Beginning of a New Middle School
The Ending of Another School Year
The Coming of a New Day
The Going of Old Friends
The Responsibility of Employment
The Privilege of Worship
The Friendship of Classmates
The Quietness of Solitude

Although each of these experiences seems to be with us one day and gone the next, we are guaranteed that God's promises to us His children, will never be forgotten.

Just as God remembers the promise He gave to Noah that He will never again destroy the earth with a flood, so God also remembers the promises He makes to us.

We, the Footprints staff of 1984, have as our theme "God promises us . . ."



**He will swallow up death in victory,
and wipe away tears from all faces.**

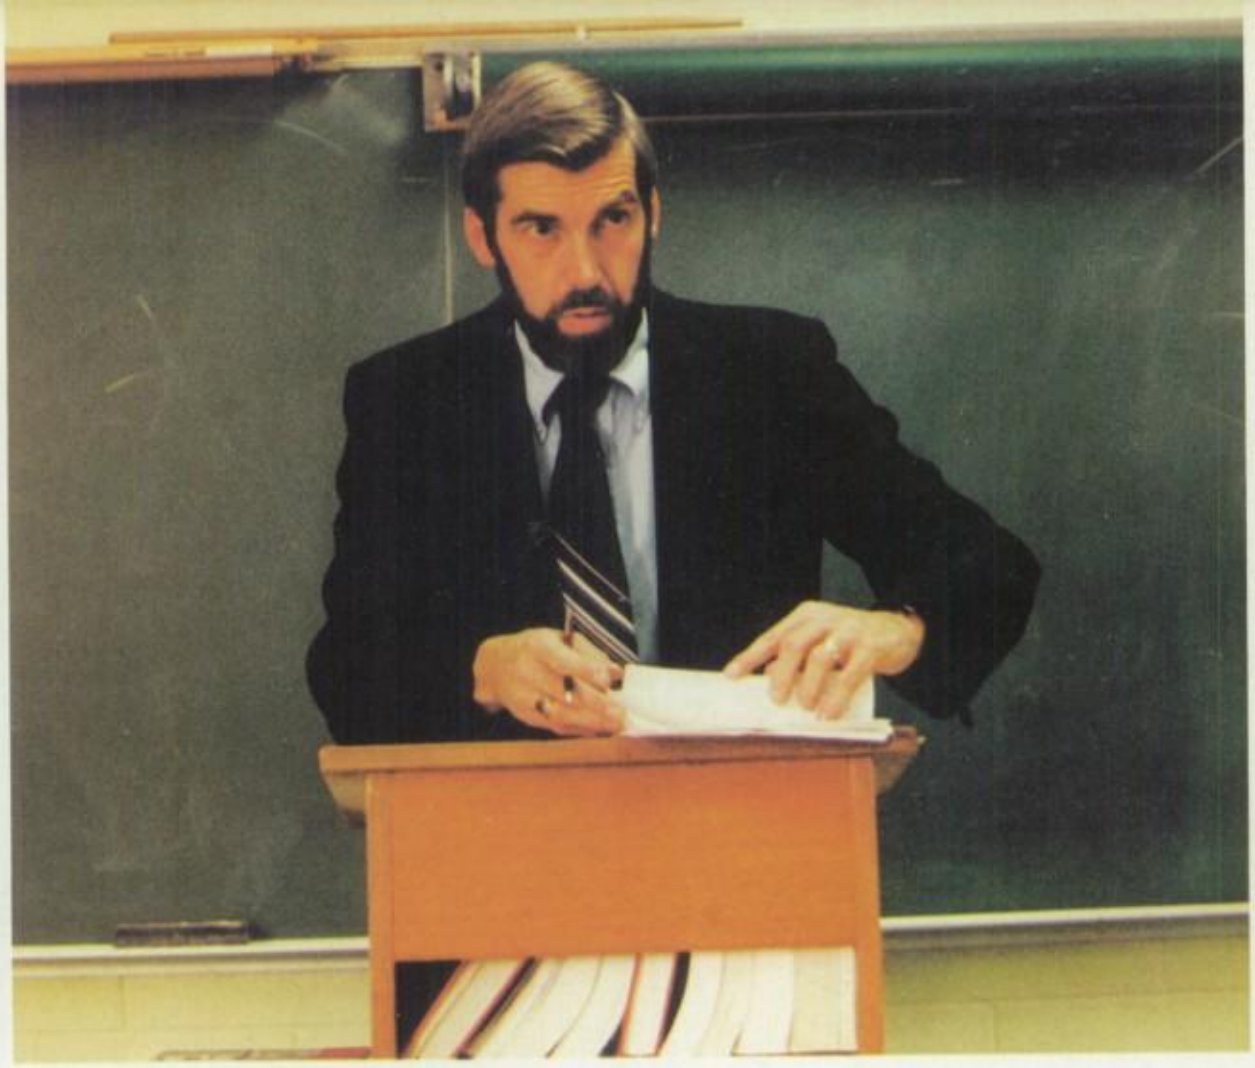
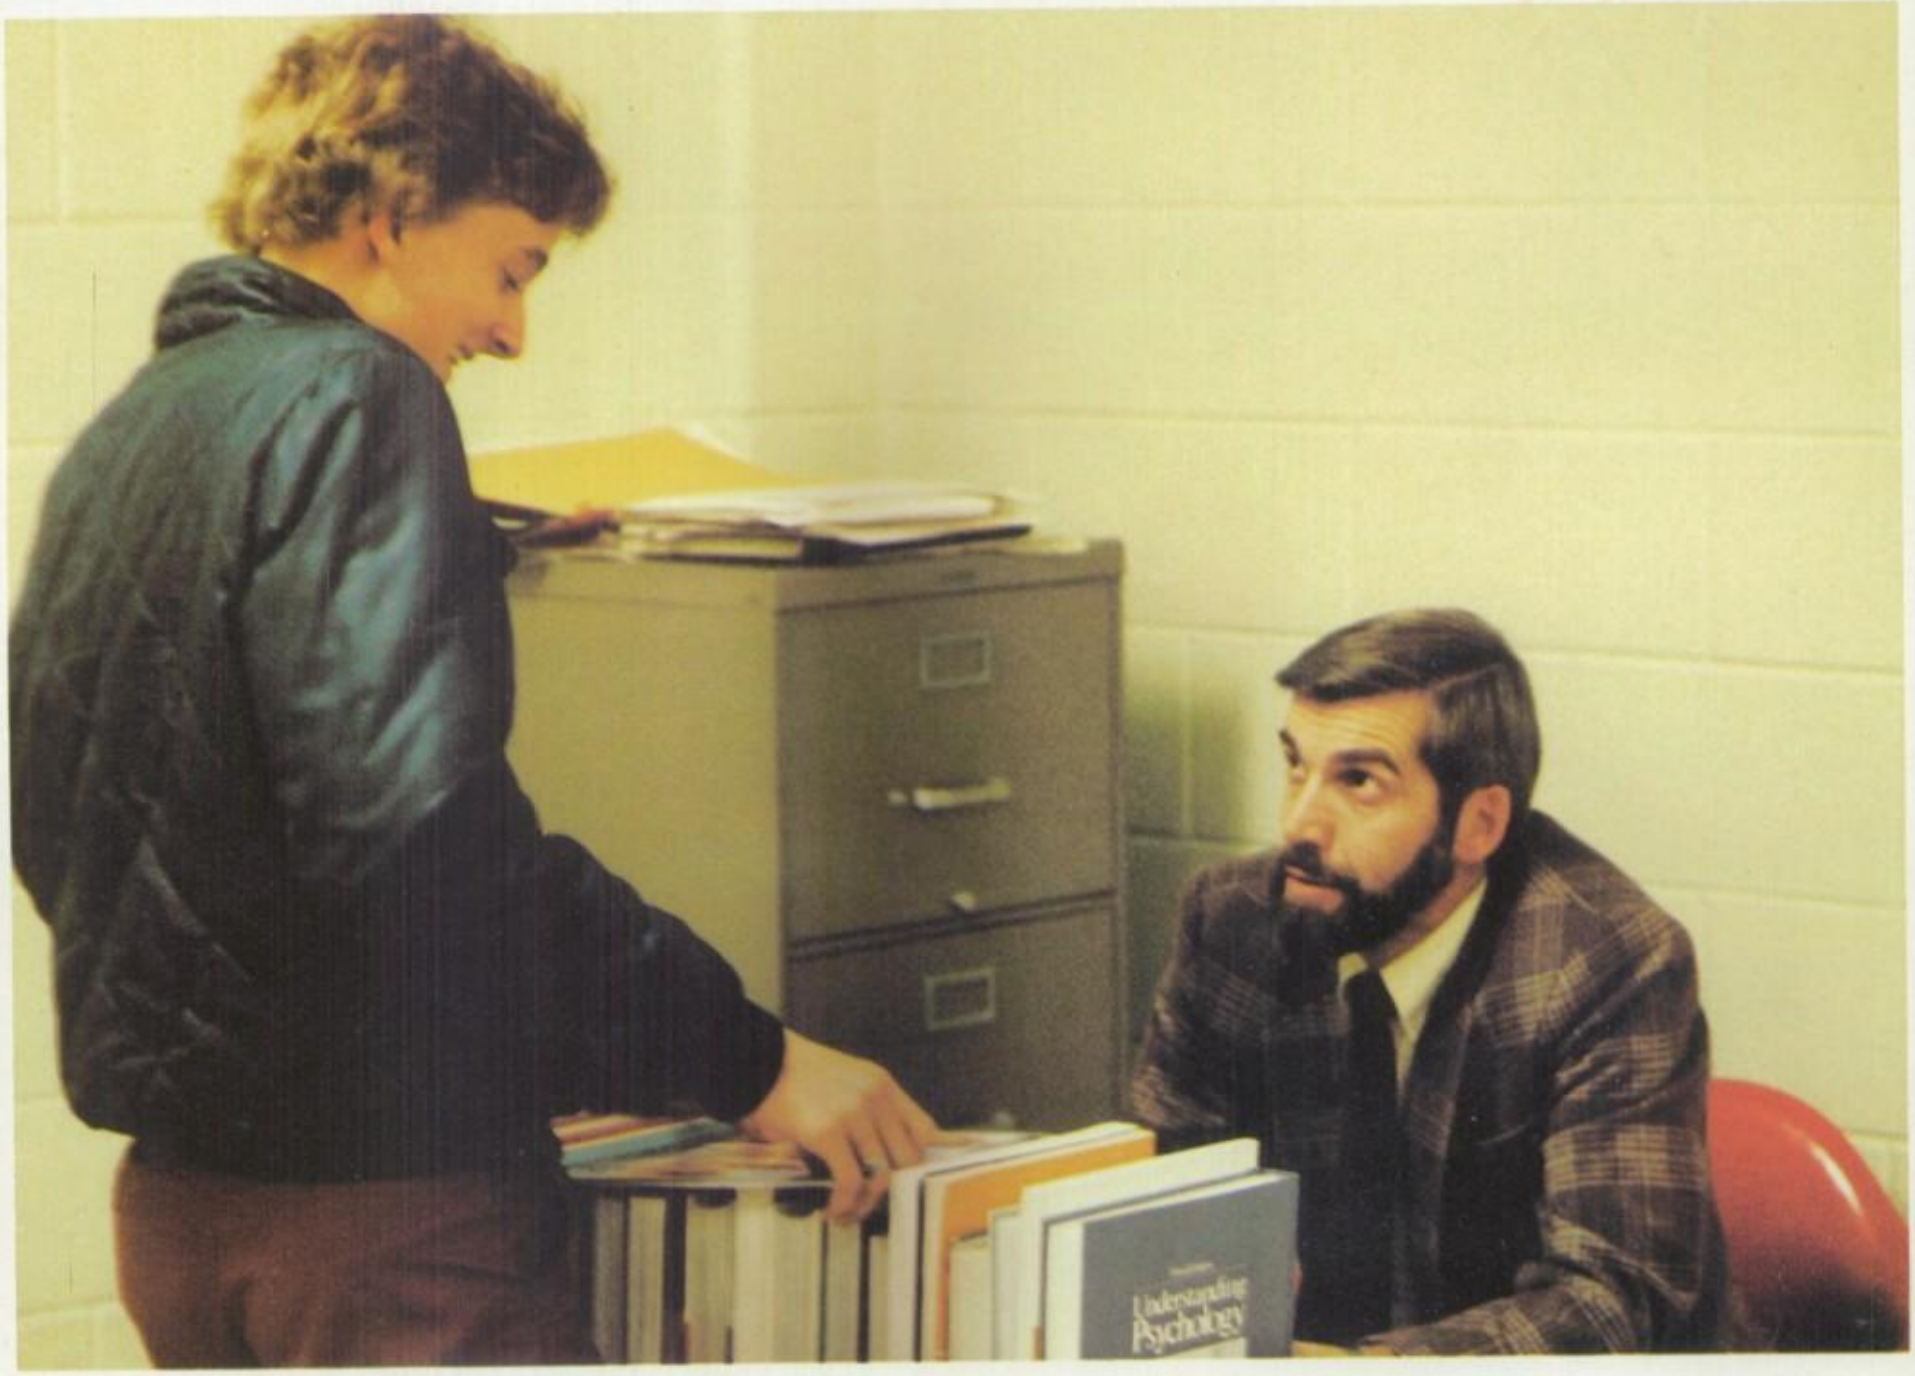
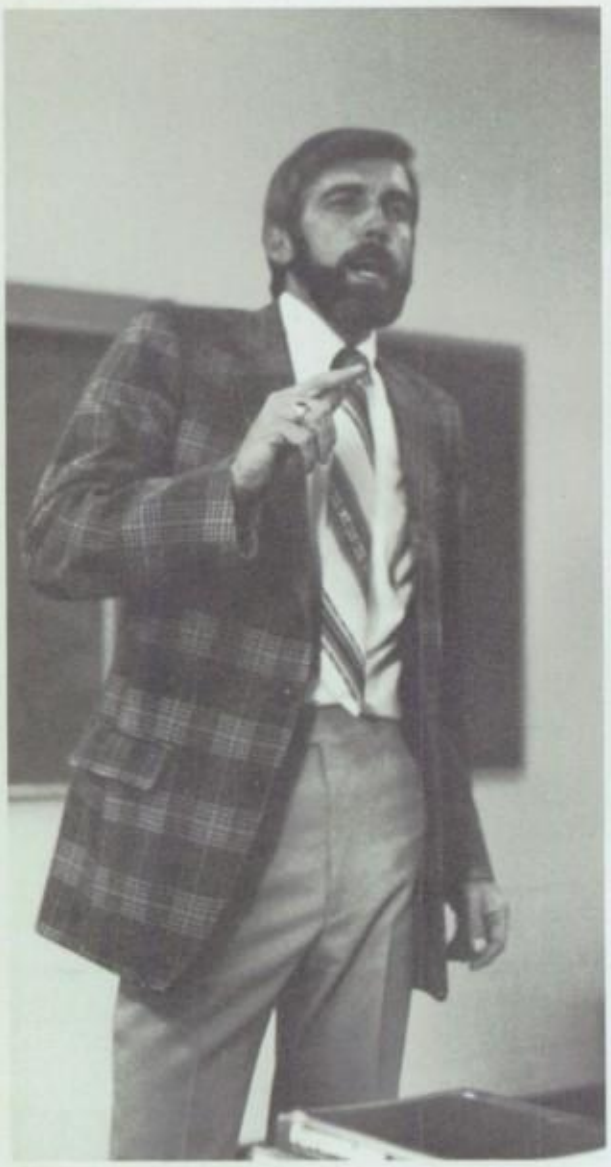
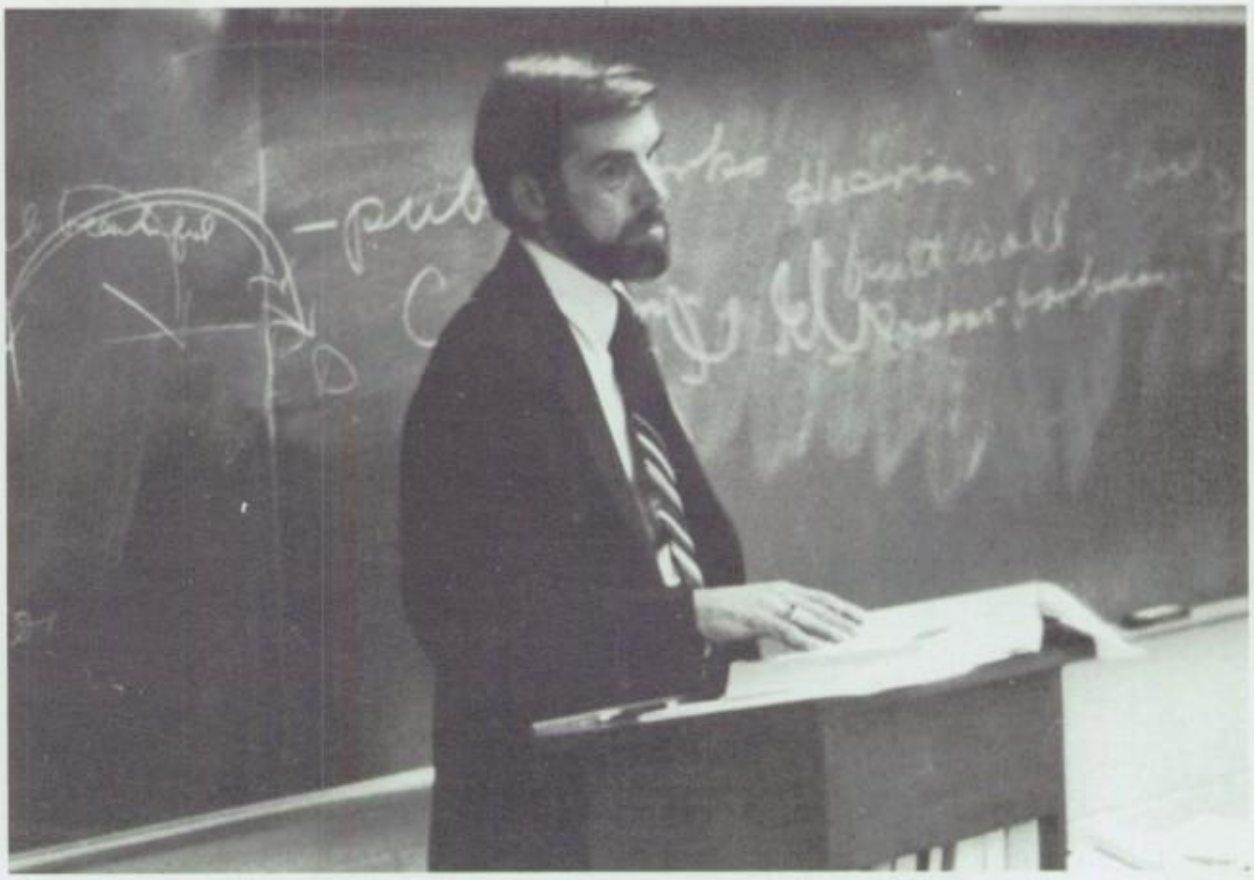
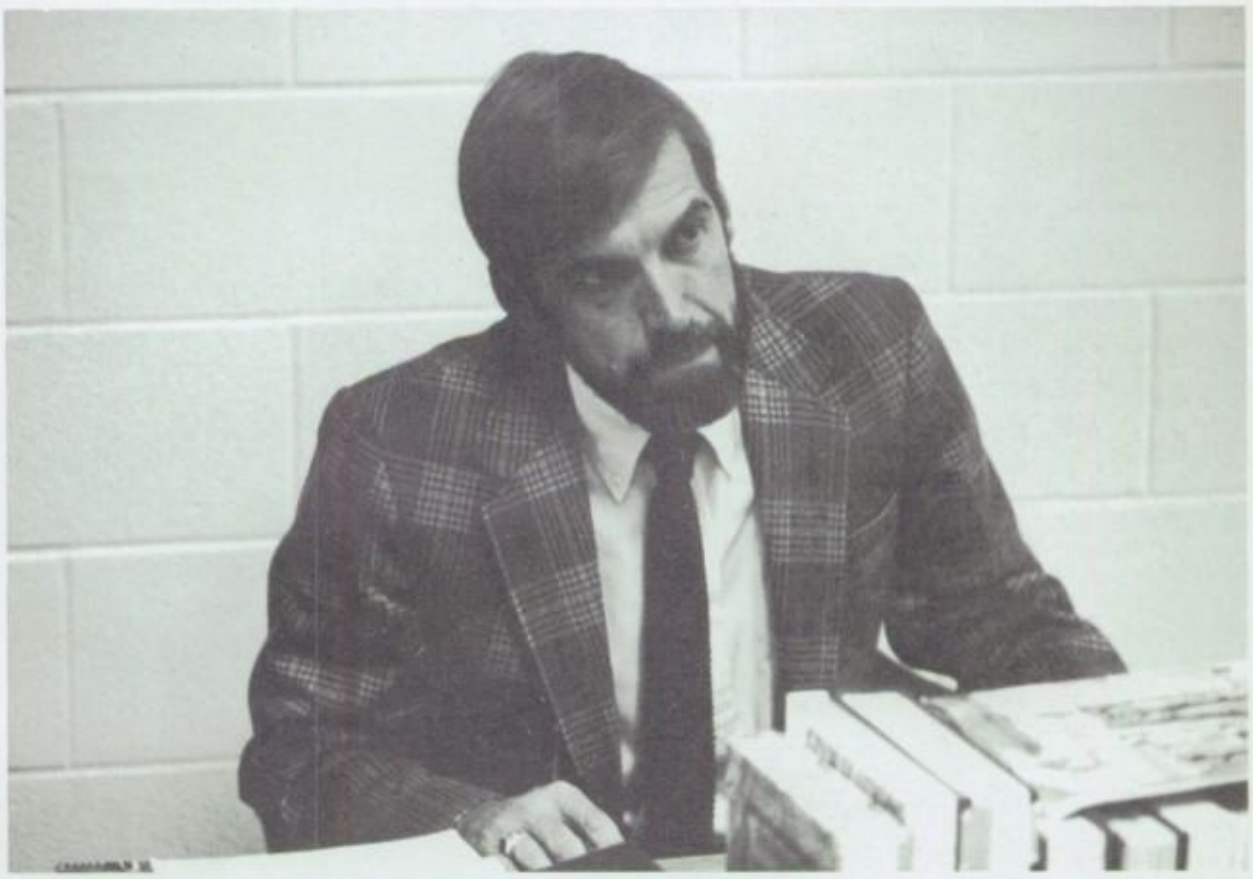
DEDICATION











So often during our high school years at Holland Christian, we need the patient and understanding guidance of someone who is sincerely interested in us. In appreciation for this guidance the Footprints staff would like to dedicate this yearbook to a teacher and friend who openly shows this concern in both his teaching and his everyday life.

As one of our class sponsors, he has devoted many hours to making all of our class projects successful. His interest in each of his students, in and outside of the classroom, creates an inspiration within us to fulfill our ambitions and to do our part in Christian service.

On behalf of the senior class of 1984, the Footprints staff dedicates this year's Footprints to Mr. Eugene Laninga.

Donald Eggebeen
Wanted: flashy socks. See Mr. Eggebeen. For 14 years he has been deprived of his ankle privacy by his algebra, advanced algebra, and non-college geometry students. He received his A.B. from Calvin College and his M.A. in counseling from Western Michigan University. In his spare time, he likes to raise canaries and participate in most sports.

William J. Huizinga
"How many of you think I'm strange?" If you have Mr. Huizinga for one of your classes, you may hear this occasionally. Marvin J. Ritsema
If you walked into room 80 this year and saw a man waving his arms in the air and pulling strange faces in front of his class, it was probably Mr. Ritsema. For 14 years he has been doing this, and he learned the "how-to's" of wing-flapping at Calvin College where he earned his A.B. and at Western Michigan University where he received his A.M. Mr. Ritsema was the choir director and also directed the Madrigals and Girls Ensemble when they met after school. In his spare time, Mr. Vander Ark enjoys tennis, running, reading, and writing.

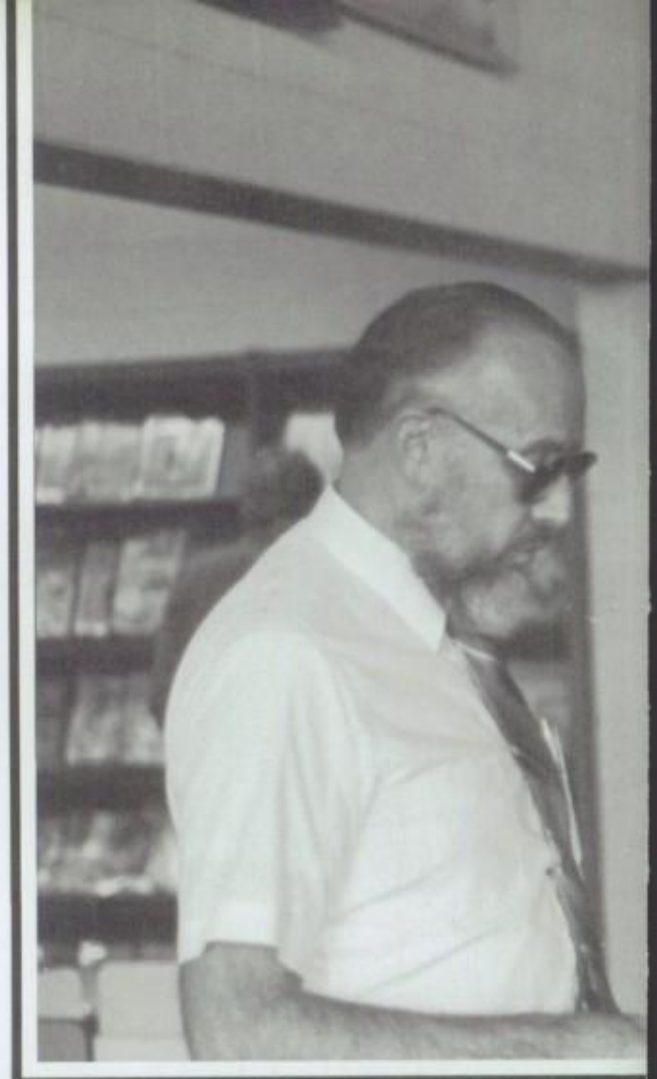
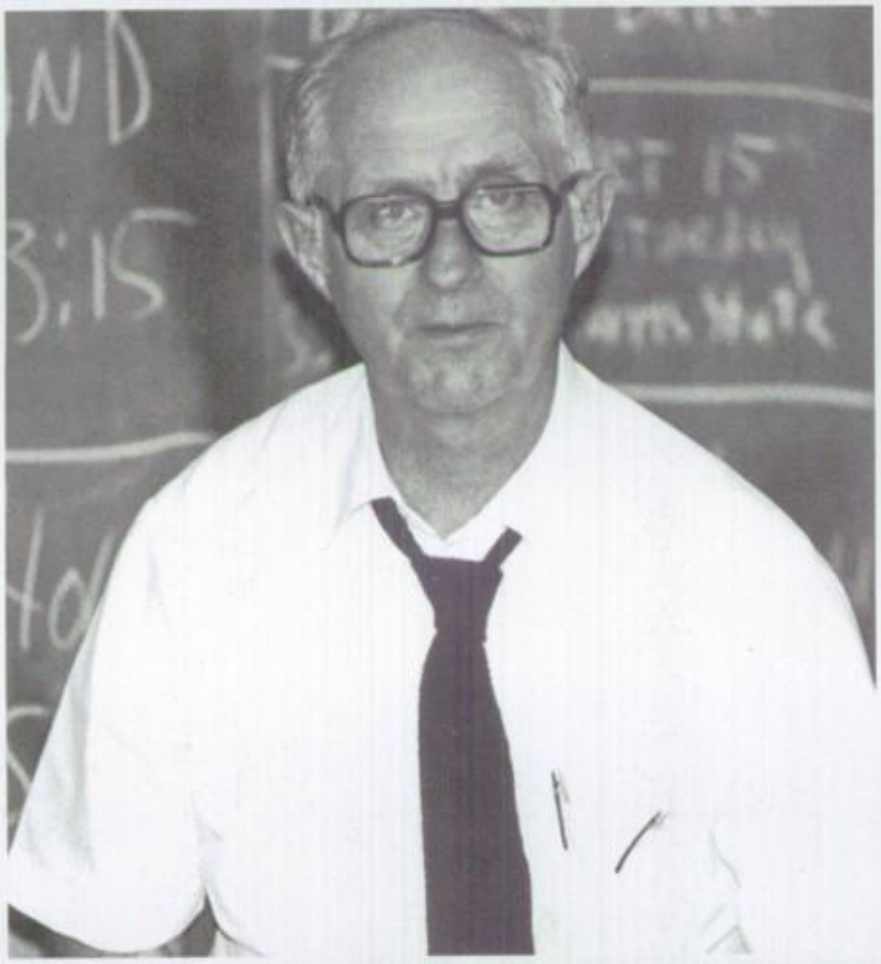
David Vander Hill
If you saw big footprints in the snow around school this winter, don't worry — Big Foot has not returned. They were probably made by Mr. Vander Hill. He has been making good impressions around our school for 19 years. In addition to counseling students, Mr. Vander Hill taught psychology. He received his B.A. from Calvin College and his M.A. from Western Michigan University. In his free time, he likes to participate in all kinds of outdoor activities.





Henry P. Vander Linde
"Van" has been our band director at HCHS for the past 34 years, along with taking charge of the pep band. He received his A.B. from Calvin College and his M. Music degree from Vander Cook College of Music. Class of 1984:

As you graduate from this school, I am reminded of a challenge I gave to you at the beginning of this school year: to model Christ in every area of your life and by that witness to lead underclassmen to walk the same path. I think as a class you have done that; Holland Christian High will be better because of your leadership.

That your class is graduating in 1984 reminds me of the book *1984*, a gloom and doom science-fiction book by George Orwell. Although the book was written nearly a half-century ago, Orwell portrays a world that has a confusing new language, a big brother government which stamps out individual freedom, and other awful things.

As you graduate into a world that may be this fearful, I remind you of one of God's clearest promises; it has all the comfort of being within the Lord's loving arms. In Isaiah, God says, "You are my servant; I have chosen you and have not rejected you. So do not fear, for I am with you; Do not be dismayed, for I am your God. I will strengthen you and help you; I will uphold you with my righteous right hand."

As you leave this school into a seemingly scary world, I hope you will walk without fear, knowing you are God's servant and knowing that God holds your right hand. Then, rather than feeling Orwell's gloom and doom, 1984 will be another chapter in your own book of peace with the Lord.

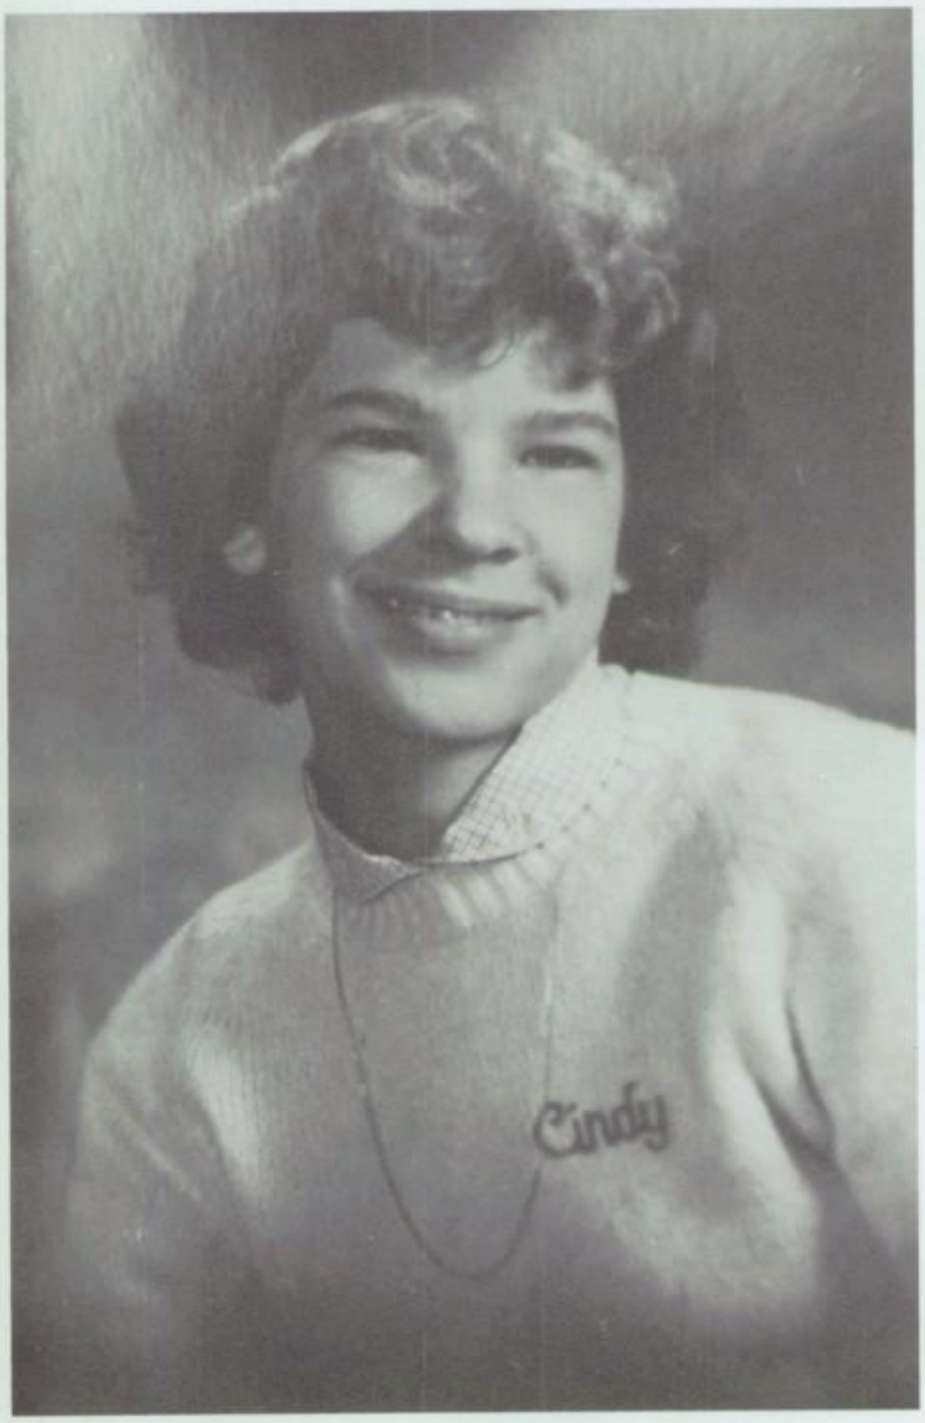
In Memoriam



Cindy Boerman

For everything there is a season, and a time for every matter under Heaven:
A time to be born, and a time to die;
A time to plant, and a time to pluck up what is planted;
A time to kill, and a time to heal;
A time to break down, and a time to build up;
A time to weep, and a time to laugh;
A time to mourn, and a time to dance;
A time to cast away stones, and a time to gather stones together;
A time to embrace, and a time to refrain from embracing;
A time to seek, and a time to lose;
A time to keep, and a time to cast away;
A time to rend, and a time to sew;
A time to keep silence, and a time to speak;
A time to love, and a time to hate;
A time for war, and a time for peace.

Ecclesiastes 3:1-8

One night a man had a dream. He dreamed he was walking along the beach with the Lord. Across the sky flashed scenes from his life. For each scene, he noticed two sets of footprints in the sand; one belonging to him, and the other to the Lord.

When the last scene of his life flashed before him, he looked back at the footprints in the sand. He noticed that many times along the path of his life there was only one set of footprints. He also noticed that it happened at the very lowest and saddest times in his life.

This really bothered him and he questioned the Lord about it, "Lord, you said that once I decided to follow you, you'd walk with me all the way. But during the most troublesome times in my life, there is only one set of footprints, I don't understand why when I needed you most you would leave me."

The Lord replied, "My precious child, I love you and I would never leave you. During your times of trial and suffering, when you see only one set of footprints, it was then that I carried you."

Girls Varsity Basketball

Maroons' Spirit Shines Through

The Varsity Basketball team had a fairly successful season. Despite a record of 7-13, there were several close games that could have changed that record around. Yet the Holland Christian Spirit still shown through, and Mr. Smits said that he's very proud of their hard work, and very proud to be the coach of this team.

Girls Tennis

A Smashing Season

The girls tennis team had an excellent season once again this year. They had a final record of 12 wins and 2 losses. They participated in two invitationals, the Christian School Invitational, which they easily won, and the Spring Lake Invitational, in which they placed third. They were also the champs of the 4-C League once again this year. The Maroons also won their regionals easily; putting 6 flights out of 7 in the finals. In the very competitive state tournament, the girls came through with an excellent 6th place finish. Mr. Buursma was also rewarded for his hard work by being named the Class B Coach of the Year.

The five seniors leaving the team after four years of hard work are: Joy Boerman, Carol Kaashoek, Melinda Nykamp, Ellen Van Dis, and Sharon Van Tubbergen.

Good job girls!

Golf

Up to Par

Our Holland Christian golf teams both had a successful season. The varsity finished first in the 4-C League and had a fine record of 8-3. Although the team was young they came along well. The team was led by 3 seniors: Kurt Dykema, Dave Goodyke, and Kevin VanDen Bosch. They also hosted an invitational in which they placed 4th of 10 teams. At regionals, our Varsity came out 11th of 17 teams.

The J.V. also had a good season by finishing 2nd in the 4-C League with a record of 4 wins and only 1 loss. When the J.V. won, they won big, and when they lost their one game it wasn't by much. This is a positive sign for Coach Tanis and the team of next year. Congratulations on your successful season!

Girls Swimming

Successful Swimmers

The 1983 girls swim team was fairly small this year with only 17 girls, but what they lacked in size, they made up in their spirit and effort. Their end of the season record was 10-4. About half of the team was new this year, including their coach, Don Kimble. Coach Kimble was not new to the sport, however, because he also coached the guys swim team.

The girls enjoyed working with their coach and the diving coach, Mary DeVries. The two seniors Karla Koops and Margaret Yskes will be missed next year, but with many team members returning, next year promises to be another exciting season.

Cross Country

Striding to Win

The cross country team, coached by Mr. Persenaire, had another fine season. After many hours of sprints, "fartleking," and timed miles, the guys team chalked up a respectable 5-5 record. The girls team, led by Sally Reimink, cruised to an undefeated 10 and 0 season. The guys ended up finishing 10th out of 17 at Regionals, and the girls, because of their 3rd place finish, qualified for state competition, where they took 23rd place.

This year's team had a lot of depth, but these six seniors will be missed: Katie Lenters, Mark Rozeboom, Dave Van Haitsma, Steve Van Haitsma, Dennis Van Loo, and Phil Vannette.

Varsity Basketball

Crowd Pleasers

The Varsity Basketball team had another great season this year, under the coaching of Mr. Jim Hulst. Each player showed a lot of character, and their record of 11-9 showed this.

One of the biggest events of the season, both for the players and the fans, was defeating River Rouge, which is the first win against them in many years.

A senior player commented: "Speaking for the team I'm sure, I'd like to say thanks to everybody who came and yelled and screamed like mad. And the seniors say thanks for the most memorable season ever."

Coach Hulst credited the team's success to the 100% effort and the enjoyment of teamwork it gave during each game. "This season has also included the support of the finest fans, cheerleaders and pep band in Western Michigan."

Jeff "Arnie" goes up for the rebound.

Little Dribblers

The Junior Varsity basketball team had an exciting season. Under the coaching of Mr. Larry Van Wieren, they ended the season with a 12-7 record. They practiced hard and gave their opponents a rough time. This year was a good learning experience for the players in preparation for next year.

Stepping Up

The Freshman basketball team had a slow start in this year's season but made up for it near the end. Cheerleading

Go! Fight! Win!

The cheerleaders of 1983-84 had a terrific season under the coaching of Miss Jane DeYoung. Both squads competed again this year at the Hope College Cheerleading Clinic when the Varsity placed 8th out of about 40 schools with their cheer "Look Out!" The J.V. girls also did well with their cheer "Beat 'em, . . . Defeat 'em!"

Many hours after school were spent each week as the girls learned new cheers and mounts. One of the biggest highlights of their season was having six new members added to the Varsity squad at homecoming.

The J.V. Volleyball team had another successful year by accumulating a fine record of 10 wins and just 4 losses. The team put together a five game winning streak in the middle of the season and was consistent all year. Mrs. Nyhof said "The basic skills were worked on mostly and everyone improved on their own individual skills."

The teams co-captains were Brenda Huizenga and Sue Evenhuis. Even though Sue didn't get to play because of injury, she helped out with statistics and her support. The team can look forward to next year, as there is great potential.

Wrestling

Rolling Pins

The wrestling team finished their dual meet season with a fine 12-8 record. All 23 members contributed in one way or the other to this fine season. The team was led in victories by Senior captain Greg Wolters with a 28-5-2 record at 155#. Senior Dan Reek was 15-15 and Paul Ekema finished 3-4 at the Varsity level. In addition Juniors Scott Tucker and Jim Bruininks and Sophomore Jamie Weenum all had over twenty victories for the season.

This year the Wrestling team had only four tournaments. Placing fourth out of six at the Christian High Tournament, fifth out of ten at the Coopersville Tournament, sixth out of eight at the Hudsonville Tournament and finishing fifth out of eight at the South Haven Tournament.

It was the diligence and discipline of all that made it possible for them to reach many team goals.

ACTIVITIES

Student Council

The Decision Makers

Once again Student Council had a very busy year of planning activities for the benefit of others. The year of organizing began with a Rope Pull. Next came the Fall Fundraiser for WEBA (Women Exploited By Abortion) organization. The fundraiser was a tremendous success; partly because of a 12 hour Sports-a-thon, which provided a fun and easy way to raise money. Another big success, through the work of Student Council, was Homecoming Week, which the Seniors won.

Besides these major projects, Student Council also planned Heart Day, Shamrock Day, Spring Fever Day, twirp season, school parties, and other activities. A special thanks goes to Mr. Terpstra, who spent a lot of time and effort sponsoring Student Council.

The officers this year were: Melinda Nykamp, President; Jim Klingenberg, Vice-President; Kris Grevengoed, Secretary; and Rhonda Vander Veen, Treasurer.

Stratford

Macbeth

The senior Stratford trip was an experience 134 seniors will not forget. Perhaps the only thing they would like to forget was the time they had to drag themselves out of bed to board the buses — 4:45 a.m.

After an action-packed 7 hour ride on chartered buses, the seniors and their English department sponsors arrived in Stratford, Ontario. They had 1½ hours to check out the town before the play. Then they moved on to the Stratford Festival Theater to see Shakespeare's Macbeth. Following the play, the seniors were once again faced with a 7 hour ride, and arrived home around midnight. Memories of marathon UNO games, singing weird songs from different countries, or jamming down to Michael Jackson with Mr. "P" will long be remembered by the seniors.

The weird sisters of Scotland.

The road was long . . .

. . . but enjoyable for seniors . . .

. . . as well as teachers . . .

. . . to get to the Stratford Festival Theater.

Boys' State

Boys' State is a program that is set up by the American Legion Club. It is an imaginary 51st state. They go to learn about responsible citizenship and to gain a better understanding of our government. Boys' State was held this year at Michigan State University, at the end of June.

Those who went are: Jon Jipping, Curt Blankespoor, Kevin Van Den Bosch, Dave VanHaitsma.

Junior Rotarian

Each year eight seniors are chosen to represent Holland Christian at Holland Rotary Club meetings. This year, the eight seniors involved were: Keith Baker, Sharon Van Tubbergen, Jon Jipping, Curt Blankespoor, Kurt Dykema, Tad Boeve, Todd Lanting, Jeff Stuk.

Each attended meetings on Thursdays from October to May. These meetings included luncheons and discussions about current issues.

D.A.R.

The senior class of 1984 has chosen Carmen Vander Ark, the daughter of Mr. and Mrs. Dan Vander Ark, as recipient of this year's D.A.R. Good Citizen Award. Each senior class votes to choose the classmate who they feel best displays leadership, service, dependability, and patriotism. The Elizabeth Schuyler Hamilton Chapter of the Daughters of the American Revolution gives each D.A.R. recipient a pin and certificate. Congratulations Carmen!

Christmas Card Campaign

Salesman Excel

Once again this year the senior class was busy selling Christmas cards, among other things, to raise money for their senior class trip to Cedar Point in June, and for their class memorial. They sold a total of $14,000 of paper products, with a profit of $5,000. Mr. Huizenga and the homeroom captains did an excellent job of sorting and filling orders, and then distributing them to salesmen (and women!) The homeroom captains were: Sue Jones, Ellen Van Dis, Sharon Van Tubbergen, Heidi Helmus, Nikki Tamminga, Sherry Brink, Paul Mulder, and Bob Boes.

Lisa Nyboer sorts out a mess.

Exchange Students

From One Country to Another

This year we were happy to have two exchange students: Jochen Heyer and Denise Frey.

Jochen Heyer was an exchange student from Bochum, West Germany. During his stay, he was hosted by the Ron Dykstra family. Jochen wanted to be an exchange student for the opportunity to experience the Christian school, living with the American family, and to learn better English. He commented that "living and speaking English in America is much different than just learning English in the class." Jochen enjoyed the fellowship of those with whom he participated in soccer and wrestling. One of his favorite subjects at school was the computer class. Even though Jochen had a "brilliant time" here, he was anxious to get home to his family and the computer which his father bought while he was gone.

Denise Frey was an exchange student from Curitiba, Brazil. During her stay, she was hosted by the Bill Tamminga family and the Dick Yskes family. Denise was anxious to come to America after hearing many stories about America from her brother who also had been an exchange student. She really liked the snow which is a big change in weather compared to where she lives. During her stay she was able to participate in Dutch Dance and the Western Adventure which took place in the spring of 1983. She enjoyed both of them very much. Denise said that the kids and teachers were very friendly at Holland Christian which made her stay all the more enjoyable.

Echo

Last Month's News

This was the fortieth year for our school paper, the ECHO. The paper was put out once a month and special editions for the holidays. The staff consisted of about fifty students who did reporting, typing, photography, and artistic drawings. The editor was Jennifer Sweetman and the junior editors were Lisa Fuder and Jenny Kolean, with Mr. Van Reken as the sponsor.

Thanks for keeping us informed through the year!

Jennifer Sweetman and Lisa Fuder proofread an article.

EDITORS — Jana Groenendyk, Carmen Vander Ark, Natasha Rietveld, and Tami Terpstra.

Scripta

Words of Expression

Special talent and hard work is what makes the "Scripta" a unique booklet that shows the many hidden talents of several students. Poetry, short-stories, essays, and sketches were submitted. First and second places in each category were awarded prizes. The winning entries and other selections were printed in the "Scripta" for the rest of the school to read.

The dedicated editors who put forth much time and effort, along with the help of the staff, made the "Scripta" a complete success. A big thank-you goes out to Mr. Mulder for his advice and help as the sponsor.

Forensics

Super Speakers

The Forensics Club is for anyone who wants to compete in a number of categories. These categories are: storytelling, humorous interpretation, serious interpretation, multiple readings, duo, radio broadcasting, and impromptu. Some students returned from last year and others joined for the first time. This makes for good competition between the experienced and the inexperienced. The two sponsors this year were Mrs. Zoerhoff and Miss Bast. The local competition was held March 20, regional competition in mid April, and State competition May 5. Congratulations to all who did well.

Organists

Once again our organists did a great job in providing us with preludes and postludes for chapel. We appreciate their hard work and time they volunteered.

The organists, who happened to all be seniors, were: Kris De Koster, Lois Dozeman, Heidi Helmus, Barb Nyhof, and Kathryn Peerbolt.

Special Chapels and Assemblies

During the year we have had the privilege of hearing Special Chapels and Assemblies. We have had guests, teachers, and students partake in these. A few speakers for our chapels were Nancy Jo Mann, Mayor Sikkel, and the memorable chapel by Mr. Jipping. (Where's the Seniors!?)

Our Special Assemblies ranged from a computer demonstration to our own talent show. These assemblies were interesting and most enjoyable. Thanks to all those who participated in both the Chapels and Assemblies.

Nancy Jo Mann told us to "walk your talk for the Lord."

Debate
Brain Busters

The Debate Club of 1983-84 worked under the topic which dealt with criminal court procedures: Resolved, that the United States should establish uniform rules governing the procedures of all criminal courts in the nation. This proved to be a rather broad topic and the Debate teams debated a variety of issues.

Being on Debate proved to be a great learning experience for all those who participated. It took much time for preparation. This year's Varsity affirmative team consisted of Mark Michmerhuizen and Randy McNitt, and the Varsity negative team of Rhonda VanderVeen and Jenny Kolean.

Front Row: Jill VanSlooten, Alene Weber. **Row Two:** Rhonda VanderVeen, Jenny Kolean, Mike DeKoster. **Row Three:** Craig Spoelhof, David Polet, Dennis Kortman, Lance Kuiper, Spense Steggerda, Mark VanHaitsma, Mr. Spoelman. **Row Four:** Randy McNitt, Mark Michmerhuizen, Tim Moat, Chris LaGrand.

LIBRARY ASSISTANTS — Kathryn Peerbolt, Linda Schierbeek, Karla Kalman, Mr. Van Reken, librarian, Ellen Van Dis, Jamie Ebels, Sharon Lankheet, Lisa Gort, Carla Stowie, Lynnae Breuker, Linda Bronkema, Michelle Knooihuizen. **Missing:** Lisa Fuder, Rhonda Breuker, and Melinda Hirdes.

Keeping the Library at Its Best

Mr. Van Reken had a lot of helpful girls this year with him in the library. They checked out books, put returned books away, put out the newspapers, and kept the vertical file in order. Thanks to them, the library was kept running smoothly.

The audio-visual aides donated their study halls just like the library assistants, but their job was a lot different. They were responsible for setting up movie projectors for teachers who needed them for their classes. They had to know how to fix the projectors when they broke down. Also, they helped with the sound system in chapel. Mr. Van Reken said that he really appreciated their help. Thanks again, guys!

AUDIO-VISUAL AIDES — Rich Willbanks, and Tony Eding. Missing are: Brian De Jong and Terry Nienhuis.

International Affair

Cultural Exchange

The annual International Dinner for the students of the Spanish, Latin, and German classes was held on March 6. Students were enticed by very unique food. Following the delightful dinner, the evening was highlighted by exceptional entertainment provided by the various foreign language classes. Two skits were re-enacted, The Case of the Frustrated Corpse by the Latin class and "El Pollito" (Chicken Little) by the Spanish class. The German class sang songs while others tried to interpret and follow along. The evening of excitement was very much enjoyed by all who participated, but soon it came to an end.

Model United Nations

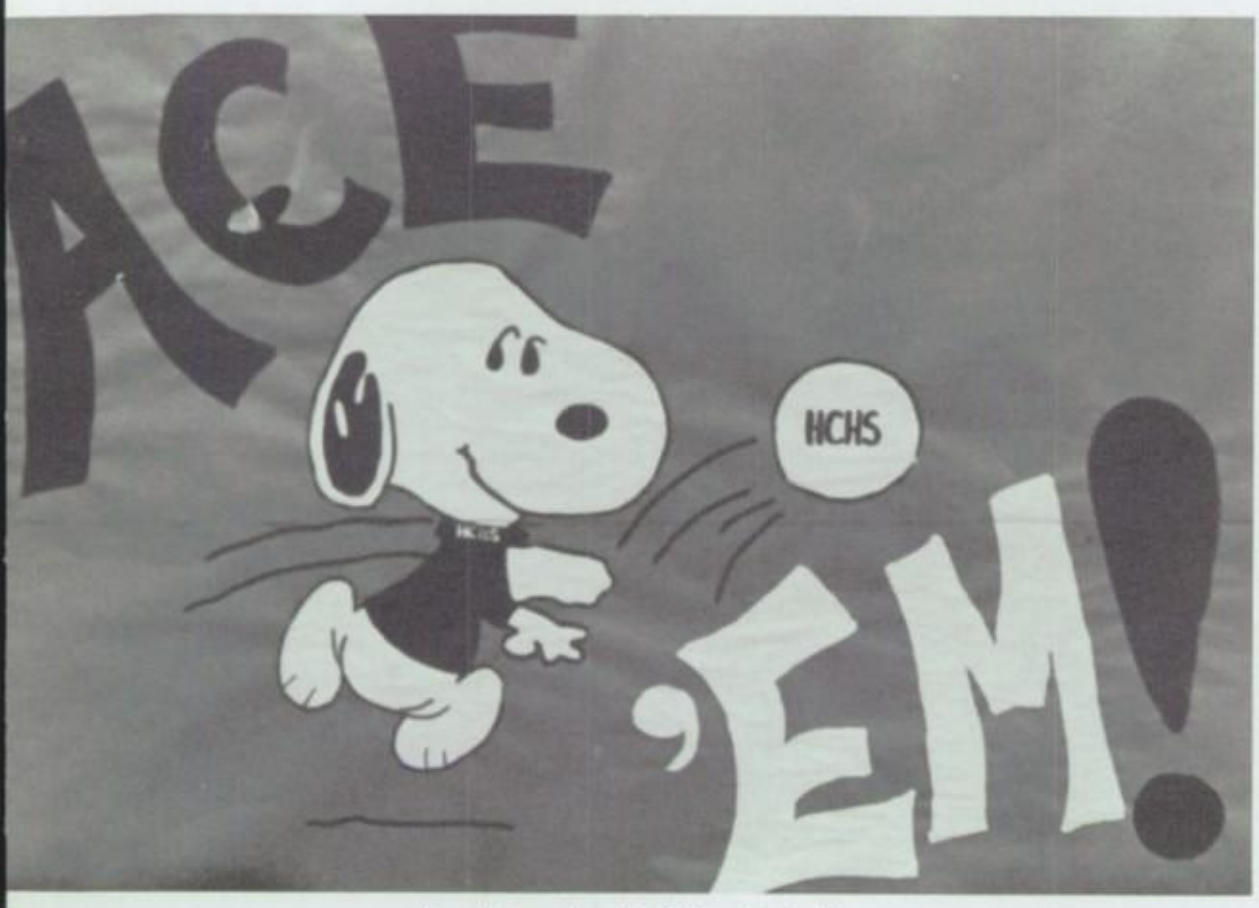
Model United Nations is a mock government which is held annually at Hope College. Students were assigned to different nations, and represented themselves during sessions of the United Nations. Many local high schools were involved, as well as Holland Christian. It was a lot of fun for all those who participated, as well as a learning experience.

National Honor Society

The National Honor Society this year was made up of 41 Juniors and 34 Seniors, chosen by the faculty on the basis of grade point average, leadership, service, and Christian character.

The highlight was an induction ceremony and dinner for the students and their parents.

The sponsors for the Society were: Mr. Buursma, Mrs. Kotman, Mr. Laninga, and Mr. Poppema. We appreciate their help and devotion.



Knock 'em dead HCHS volleyball!

"Jack — we spent a lot of time making that!"

Pep Club

Keeping the Spirit Alive

Once again, the pep club did a fantastic job making all the posters and banners for the home games. A lot of time and dedication went into keeping the spirit of the fans up.

The main feature at the games was usually the hoop that the varsity basketball team jumped through at the beginning of their game.

Everyone really appreciated the work of the pep club. Thank you for adding that extra excitement to our home games!

Downhill Ski Club

No Business Like Snow Business

This winter was a terrific season for downhill skiing. Almost every Thursday night and some weekends, you could find Holland Christian skiers on the slopes of Cannonsburg.

The 87 members differed in skill from the novice, who had major problems on the rope tows, to the expert, who skied Nastar (slalom races) and moguls. Whether beginner or expert, it was exciting and fun for all, despite bent poles, frozen bodies, and minor casualties.

Nordic Ski Club

Go for the Snow!

Although lack of snow last year made skiing difficult, this year was much better skiing for the Nordic Ski Club. The 200 members had outings after Christmas when they went to Riley and Hope College trails. The skiing was great during December and January, but 50° weather in February caused an early thaw.

The group is divided between advanced skiers, who like courses with hills, and the beginners, who prefer flat terrain. But whether beginner or expert, all enjoyed the beautiful outdoor scenery and exercise.

Homecoming

War of '84

The one week of the whole year where the real personalities of the students shine through is Homecoming. Every day at noon hour they could be seen doing all sorts of crazy things in order to get points for their class. These activities included trying to push a Volkswagen down icy Ottawa Ave., eating licorice as fast as possible in order to "meet" the person on the other end, stuffing one's body through an inner tube, and racing through an obstacle course.

Not only were people *doing* crazy things, but they also *wore* crazy things. On Costume Day, some students (?) could be seen walking down the halls dressed as Hershey's kisses, smurfs, sporks, Michael Jackson (before and after), and in their P.J.'s. On other days they wore sweats, backwards and clashing clothes, jeans, and their Sunday best.

At our Homecoming basketball game, our Varsity cheerleaders had a little help. Six senior guys decided to "show a little leg." Great job guys!

After adding up all the scores, the Class of '84 came in first (for the second year in a row), then the Juniors, Sophomores, and Freshmen came in second, third, and fourth respectively. Homecoming is a great break from winter blahs and exam blues.

The Crucible

In 1692, in the village of Salem, Massachusetts, we witness the Salem Witch Trials. The place where innocent people become the victims of blind self-righteousness and bitter revenge.

In the opening scene we see the first of many innocent people accused of witchery. As the play progresses, we see there is no escape for those who are innocent. If they lie, they condemn themselves, and if they don't, they are sentenced to death.

This was Mr. Mulder's second experience as director, and he did another great job. He deserves a big hand for all the hours he spent to make the play a success. Student director, Dawn Tolsma also worked hard and deserves much credit. She made sure everything went well — and it did.

The cast did a great job on stage, as did the committees off stage, to make the Senior play a tremendous success.

OLD MEMORIES

Memories come and go in time,
they help me through each day.
Some make me laugh, some make me cry,
some keep me from dismay.

Age crawls up like ocean tides
and soon we're old and weak.
I have just me, myself to care for,
and memories so meek.

While watching all the children play,
my mind drifts to my past.
I saw the days of youth and fun
and wish my younger days would last.

I often wonder about the future
when I will not be.
Will people miss my presence
or not notice the departure of me.

Soon life's door will open up for me
and eternal life will be in sight.
Lowered and placed in a dark dismal tomb
is my casket, shut tight.

ODE TO A FRIEND

Thank you, my friend
For being there when I needed you:
Through my emotional highs and lows,
My tears and laughter,
My pains and sorrows.

Thank you, my friend
For sharing my feelings with me:
Lifting me up when I was down,
Saying kind words to make me smile,
Making me laugh when I was sad.

But most of all,
Thank you, my friend
For being you.

Samuel's Question

I didn't know what to think . . .
What did God want from me?
I've done no great evil . . .
But I lay on my bed
And waited for God
To call me again.
I listened, and
I waited, and
I wondered.
What did
The Lord
Want
From
Me?

Friends Forever

We parted, saying, "Let's keep in touch"
And meant it thru and thru
But as time went by it seems to me
I hear less and less from you.

Your letters once so frequent
Now hardly come at all
And it's so very seldom
You get a chance to call.

There was a time we were so close
I though "us" would never end.
We'll always be together
I'll always be your friend.

But promises just weren't enough
To keep our bond together.
Time and miles tore us apart
Painfully teaching there is no forever.

I miss you terribly, my once best friend,
It just doesn't seem the same.
A part of me left with you
But we both share the pain.

Please call again and bring to life
Those memories buried down so deep.
I need to have them back once more,
Come to life for me to keep.

I know it won't be like it was before —
Reunions never really are.
But at least we can say, fair and true,
"Our friendship has lasted yet this far."

And maybe when we part once more
Our friendship will again mean so much.
And from our hearts we can say,
"Let's always keep in touch."

On the Is'ere

Old boats lie discarded;
Half-sunken rotting wood
The melancholy waters wasted,
Decorating an end of the dust-clothed river.

Strong French arms once slung a
Tire over the ancient post;
Slumped, Half-emerged,
It's moored there yet.

Mist beds itself over
The old quiet river,
An unwilling blanket, unable
to be shook out to allow
dust freedom and ghosts peace.

Echoes rise and percolate
Above the graves of the
River boats, and tired Frenchmen
Close their eyes and sigh
As night draws near.

The Light

Lord,
now for my commitment.
Oh, the road ahead seems so dark.
Confusion lies in my path.
A light
off to the side.
I see it,
reach it,
grasp it.
One word, prayer.
Confusion is melting,
draining away, till obvious light shines.
Must be You.

Lord,
here I am,
I present myself now
and forever,
because You first presented Yourself
to me.

Madrigals

Singspiration

The setting for this year's Madrigal Dinner was the traditional Medieval scene. Madrigal members, attired in their "tights" and "pointed hats" entertained their guests for three unforgettable nights. These nights filled with songs, jokes, skits, great food, courtesy, and laughter, prompted the guests to remark that this year's Madrigal Dinner was the most enjoyable one ever held. Although the Madrigal Dinner was perhaps the most exciting part of the year, the Madirgals also put much effort in participating in church services and concerts. This required an after school rehearsal on every Tuesday of the week. This brought the ensemble closer together not only through their hard work but also through the fun that they had in the process.

And this was just the appetizer.

The Ladies welcome the guests for the evening of entertainment.

Girls Ensemble

Girls Choirs

Sensational Singers

This year's Girls Choir was composed of 47 hard working girls. They performed in concerts and chapels. Mr. Ritsema uses this choir to train the girls voices for A Capella Choir the following years.

Some of the girls from the Girls Choir are also members of the Ensemble.

This was the third year for the Girls Ensemble. Composed of twelve sophomores and four freshmen, the choir had a lot of fun performing in concerts, chapels and church services. Mr. Ritsema said, "They were the best Ensemble that I've had in the three years of the Girls Ensemble." This year's members are: Amy Deters, Julie Venema, Amy Heerspink, Mary Hulst, Kari Scholten, Nancy Kammeraad, Arlene Borgdorff, Laurie Genzink, Amy Veldheer, Beth Hoffman, Amie Bouwman, Lisa VanMunster, Irene Karsten, Shelly DeHaan, Missy DeKoster, Judy Krommendyk.

The Group concentrates on Mr. Ritsema.

A little louder Pam and Bev!

A Cappella Choir

hard working harmony

Once again the A Cappella Choir has been in demand and were involved in many activities. The tenor section was rather small this year, but they were still big in sound and Mr. Ritsema was very proud of them.

Some of the activities that they were involved in were as follows: the performance of the Fall concert, the Christmas concert, and the combined Middle School-High School Choir concert. They also worked very hard for festival, doing different breathing warm-ups, and sight-reading exercises which later paid off.

Mr. Ritsema will have quite a young choir next year because of the graduation of half of his choir, but he also has what it takes to make the choirs at Holland Christian excellent. There were also three accompanists this year who worked very hard: Kris DeKoster, Kathryn Peerbolt, and Lois Dozeman.

Orchestra

Stringing Along

To many students at Holland Christian, Orchestra is a group of musicians that play in chapel during Christmas. But that was only a small part of their performances. Throughout the school year, they had concerts at our school, Central Avenue CRC, and Harderwyk CRC. They also participated in District Festival, March Festival, All-School Orchestra Concert, and State Orchestra Festival. In May they participated in the Tulip Time Salute.

Some of the members are in Chamber Orchestra also. In the fall they played at the Right to Life rally at the Amway Grand Plaza and they also performed at many churches.

Thanks to each one of the Orchestra members for their hard work and effort they put into making this year a success.

All together now!

# of Different Drums

"Van" takes charge of his band.

Once again this year the Symphony Band was busy with many activities. New drums and also new uniforms, combined with lots of hard work and early band sessions made this year one of the best. Some of the activities were: Ferris Band Day, Veterans' Day Assembly, District Festival, and various concerts. The band took its beat to the street for the Tulip Time and Memorial Day parades. Much of the credit for the successful year goes to "Van," who kept the band always on the move. Band officers for the 1983-1984 year were: Rob Langejans, president; Paul Sterenberg, vice-president; Sharon Van Tubbergen, secretary; Katie Lenters, librarian; and Paul Mulder, band manager.

Solo-Ensemble
First Rate Musicians

Once again, Holland Christian was very well represented at the Solo and Ensemble festivals. This year, all the district festivals were held in February and state competitions were held in March and April.

The musicians practiced long and hard, and were given a rating on their performance. If they received a first division rating, they qualified to go on to the state level where they received another rating.

Congratulations to all the choir, band, and orchestra members who participated.

Pep Band

Just "Beat It!"

Whether on the stage or on the sidelines at all the home basketball games, the Pep Band got the crowds excited. This was the result of practicing every Wednesday after school with the help of "Van."

It only makes sense — a great basketball team deserves a great Pep Band. Thanks for doing such a fantastic job!

Keeping us in tune.

Didn't you really get inspired this year in Mr. P's Adv. Comp class. Well, maybe you didn't because you were never there but I sure did. Thanks for helping me out on my grammar tests every once in a while and also for getting the answers for "the Tale of Two Cities quizzes even though it didn't help a whole lot. You said that I owed you one for that but I paid you back because I found your term paper mixed in with all the old ones. If I wouldn't have found that you would have had to do it all over again so you should owe me at least one. Well anyways its been a great experience being in Adv. Comp with you (when you were there.) I hope you have a good summer and good luck in your future life (working at Long Johns)

How priceless is a liberal education!
In itself what a rich endowment!
It is not impaired by age, but its
value increases with use. No one can
employ it but its rightful owner. He
alone can illustrate its worth and
enjoy its rewards. It cannot be inherited
or purchased. It must be acquired by
individual effort. It can be secured
only by perserverance and self-denial.
But it is as free as the air we breath. . . .
A liberal education is the prize of
industry. It is the greatest blessing that
a man or woman can enjoy, when supported
by virtue, morality, and noble aims.

Kimmy Pooh,

1 more day of this hole and we're free of the D.V.A. Regime. I don't know how I for one am gonna handle myself with no one telling me what to do everywhere and everytime I do someth in. But I think we all can work that out at the beach; don't forget, I owe ya and Julie a few boat rides and skiing trips so we'll have to work that out at the beach too!! Ya had quite a year this year skippin school all the time by going to the hospital, going to west ottawa for so long and then between your hair dryer not working and being fired and all those other lousy excuses you were only at this hole half the time which was lucky for you and unfuck for us!! (what a sweetie, huh?!) However in the last 3 years you have been a great inspiration to me, escpecially in your ability to change men every week, I gotta try that with my men but it'll be awful hard to let some of my favorite ones go. This summer you better work on your "get-back" game because you need a little work on how to catch people cheatin, remember the make sure you bring your blue glasses to the beach so I can see them way back from or you because you look naked without them. Just keep up your great personality traits this summer and take it a little easy on the partying, (you gotta stop that stuff). You drink way to much and it makes me worry about you this summer I'm sure I'll be seein you a lot at the beach and at Parties (your always at there), so take it easy and make sure you take me up on my offers of skiing and boat partying!!! Luv ya,

Joe "Mama" Van Dyke

Remembering Promises

This yearbook is more than just a history book of the 1983-1984 school year at Holland Christian — it is the footprints, the stamp of the Class of '84. Its context, interwoven with the theme — God's promises to us His children — of the book, is the product of the efforts of a very dedicated and talented Footprints staff: Tim Barendse, Curt Blankespoor, Tad Boeve, Sherry Brink, Julie Brouwer, Kris De Koster, Chris Gesink, Heidi Helmus, Mandy Hoffman, Sue Jones, Karla Koops, Laura Kragt, Marcia Lankheet, Todd Lanting, Melinda Nykamp, Jana Oosting, Derek Ottens, Dave Spykerman, Carla Stowie, Shelley Vander Haar, Mike Vander Ploeg, Steve Van Haitsma, Phil Vannette, and Sandy Witteveen.

I would like to thank the staff who made this yearbook what it is. I also want to express my appreciation to Todd Lanting, our business manager, who handled all the financial details of the book, and to Lori Kragt who spent many long hours organizing the forty plus pages of ads. I especially am grateful to Mr. Robert Talsma, our Taylor Publishing Representative, and to Mr. Gus Van Den Berge, our advisor, for all their time, talents, and suggestions that were vital in designing this Footprints.

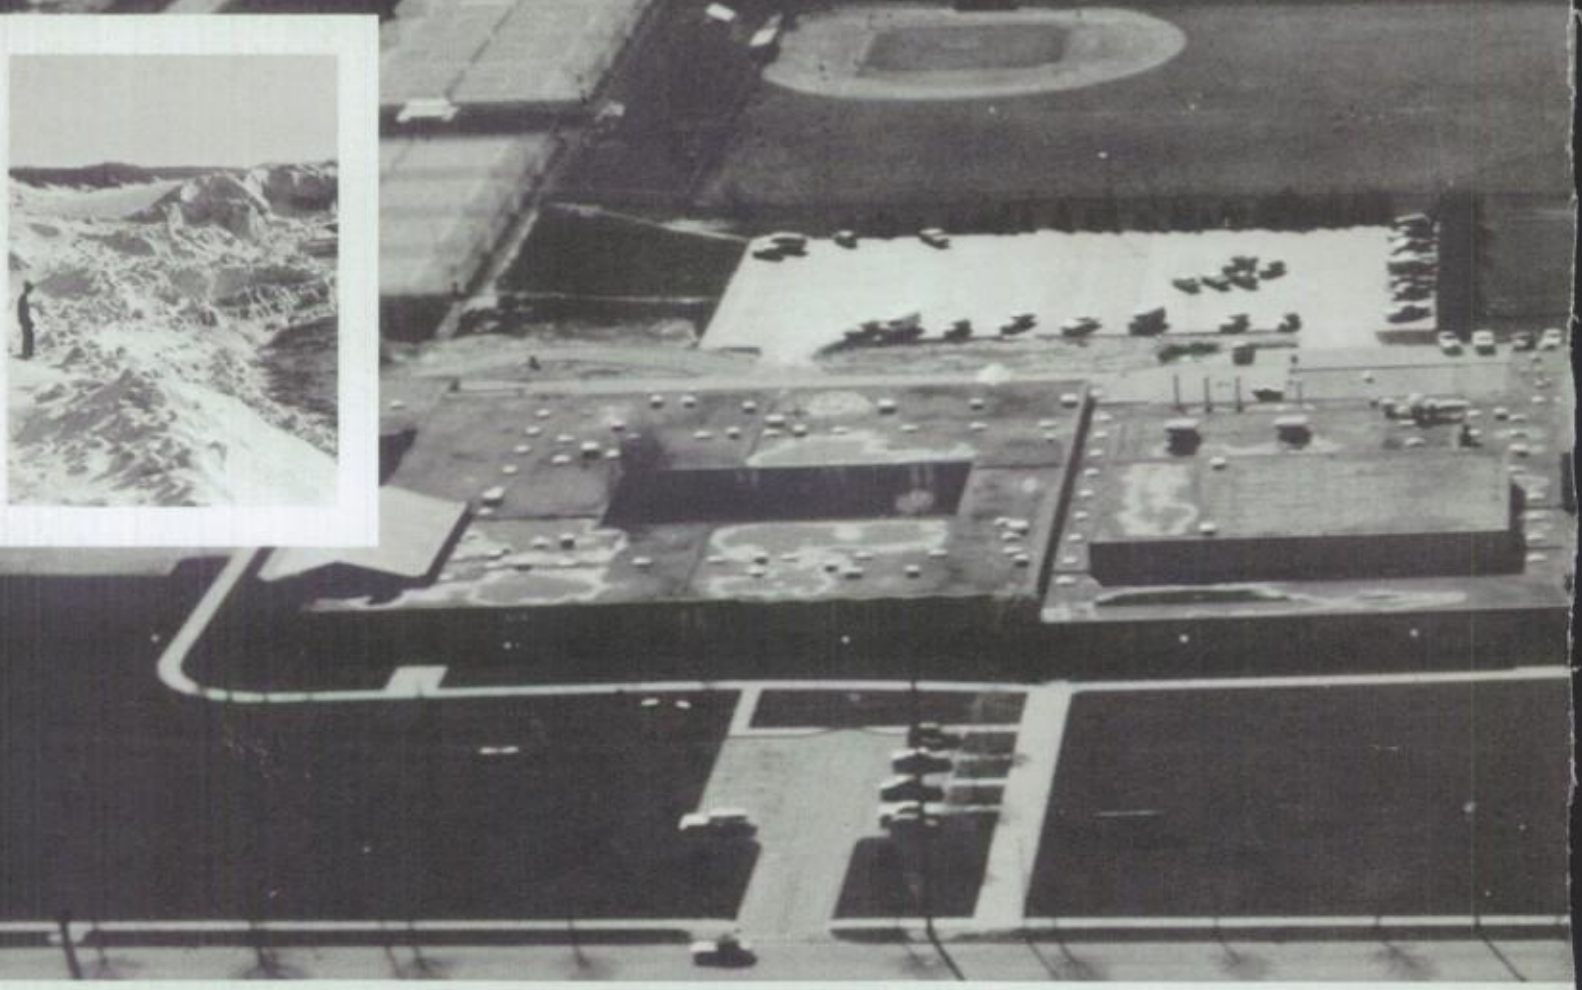
I'd like to share with you this final thought that is expanded from a poem by Mr. Jon Mulder.

At first some probably came to make a name for themselves. Others, wanting to grow as individuals, tried to change the pace of just another mundane year of school. Still others wondered what their limits are, where their talents lie, who they might be and what they might become. Perhaps only a few came first to do what now is almost done. But all, together served. Each followed Christ's example: each gave up self to serve others. After four short years graduation is almost history. But the night will live on. It will live in photographs. It will live in the memories of those who watch, who experience, who recall commencement. But most of all it will live forever in the hearts of those who graduate.

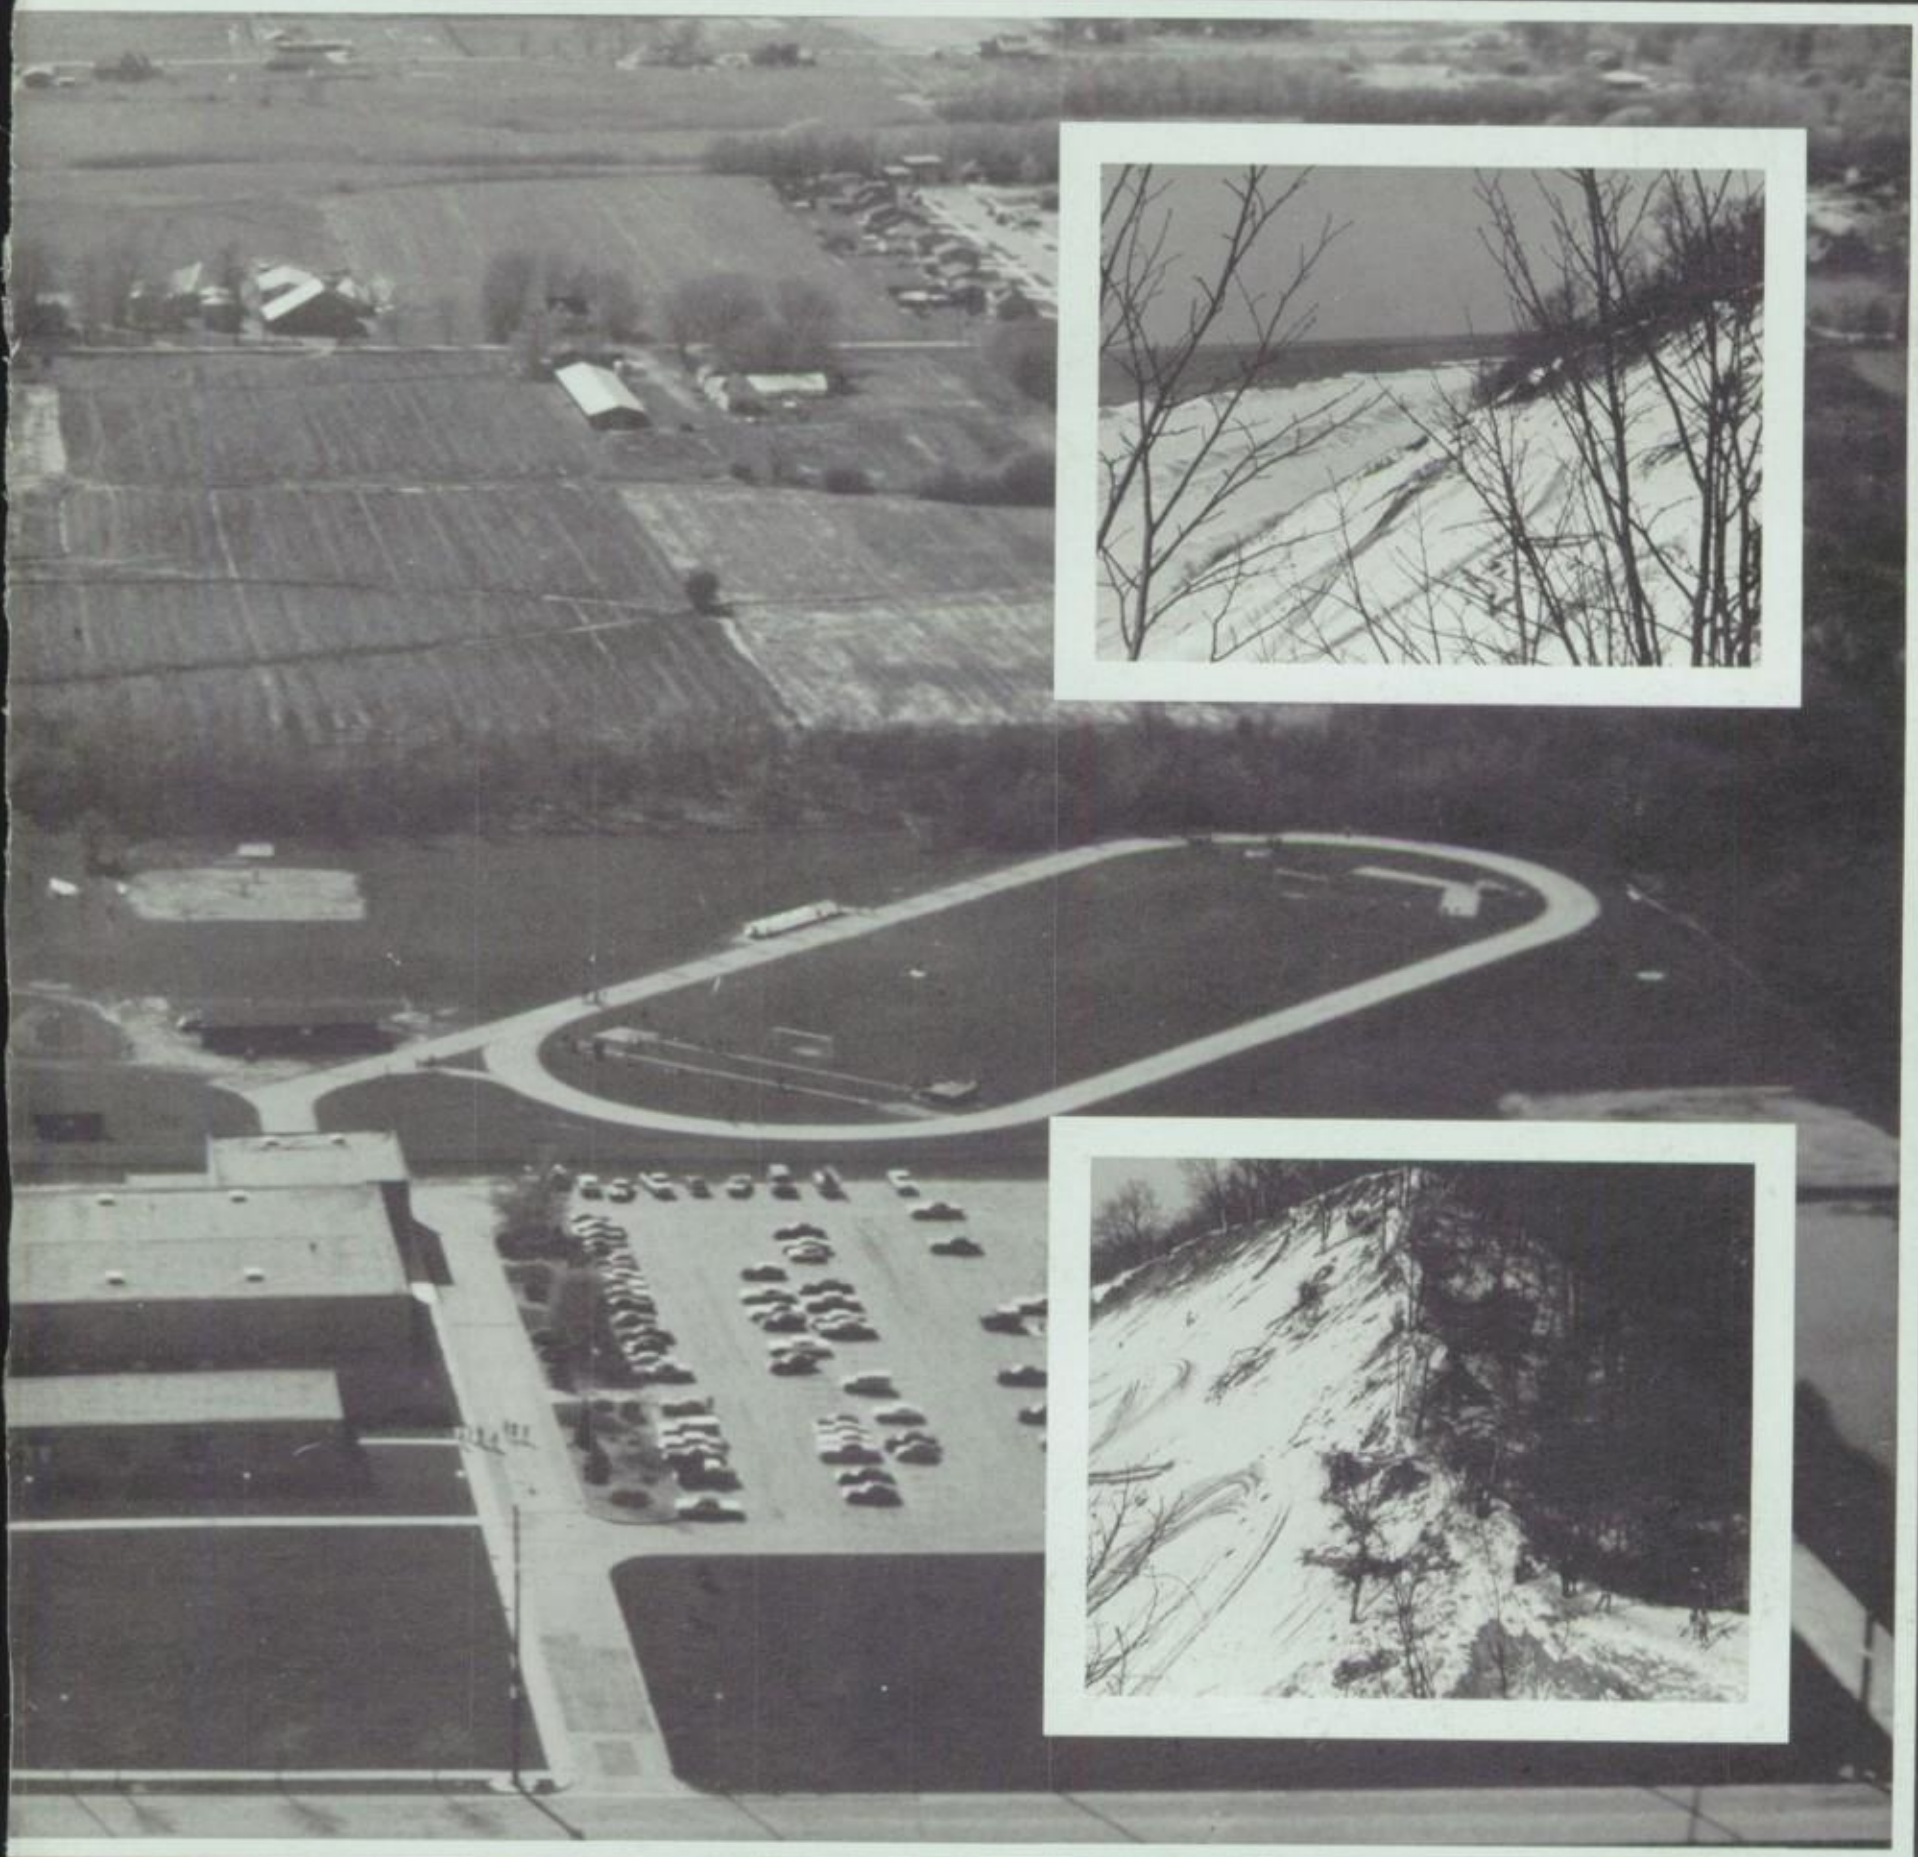
It is my hope that God's promises to us will also live forever in our hearts. 1984 may be the end of our high school years, but it is certainly not the end of the many promises God has given us.

In Christ

Curt Blankespoor

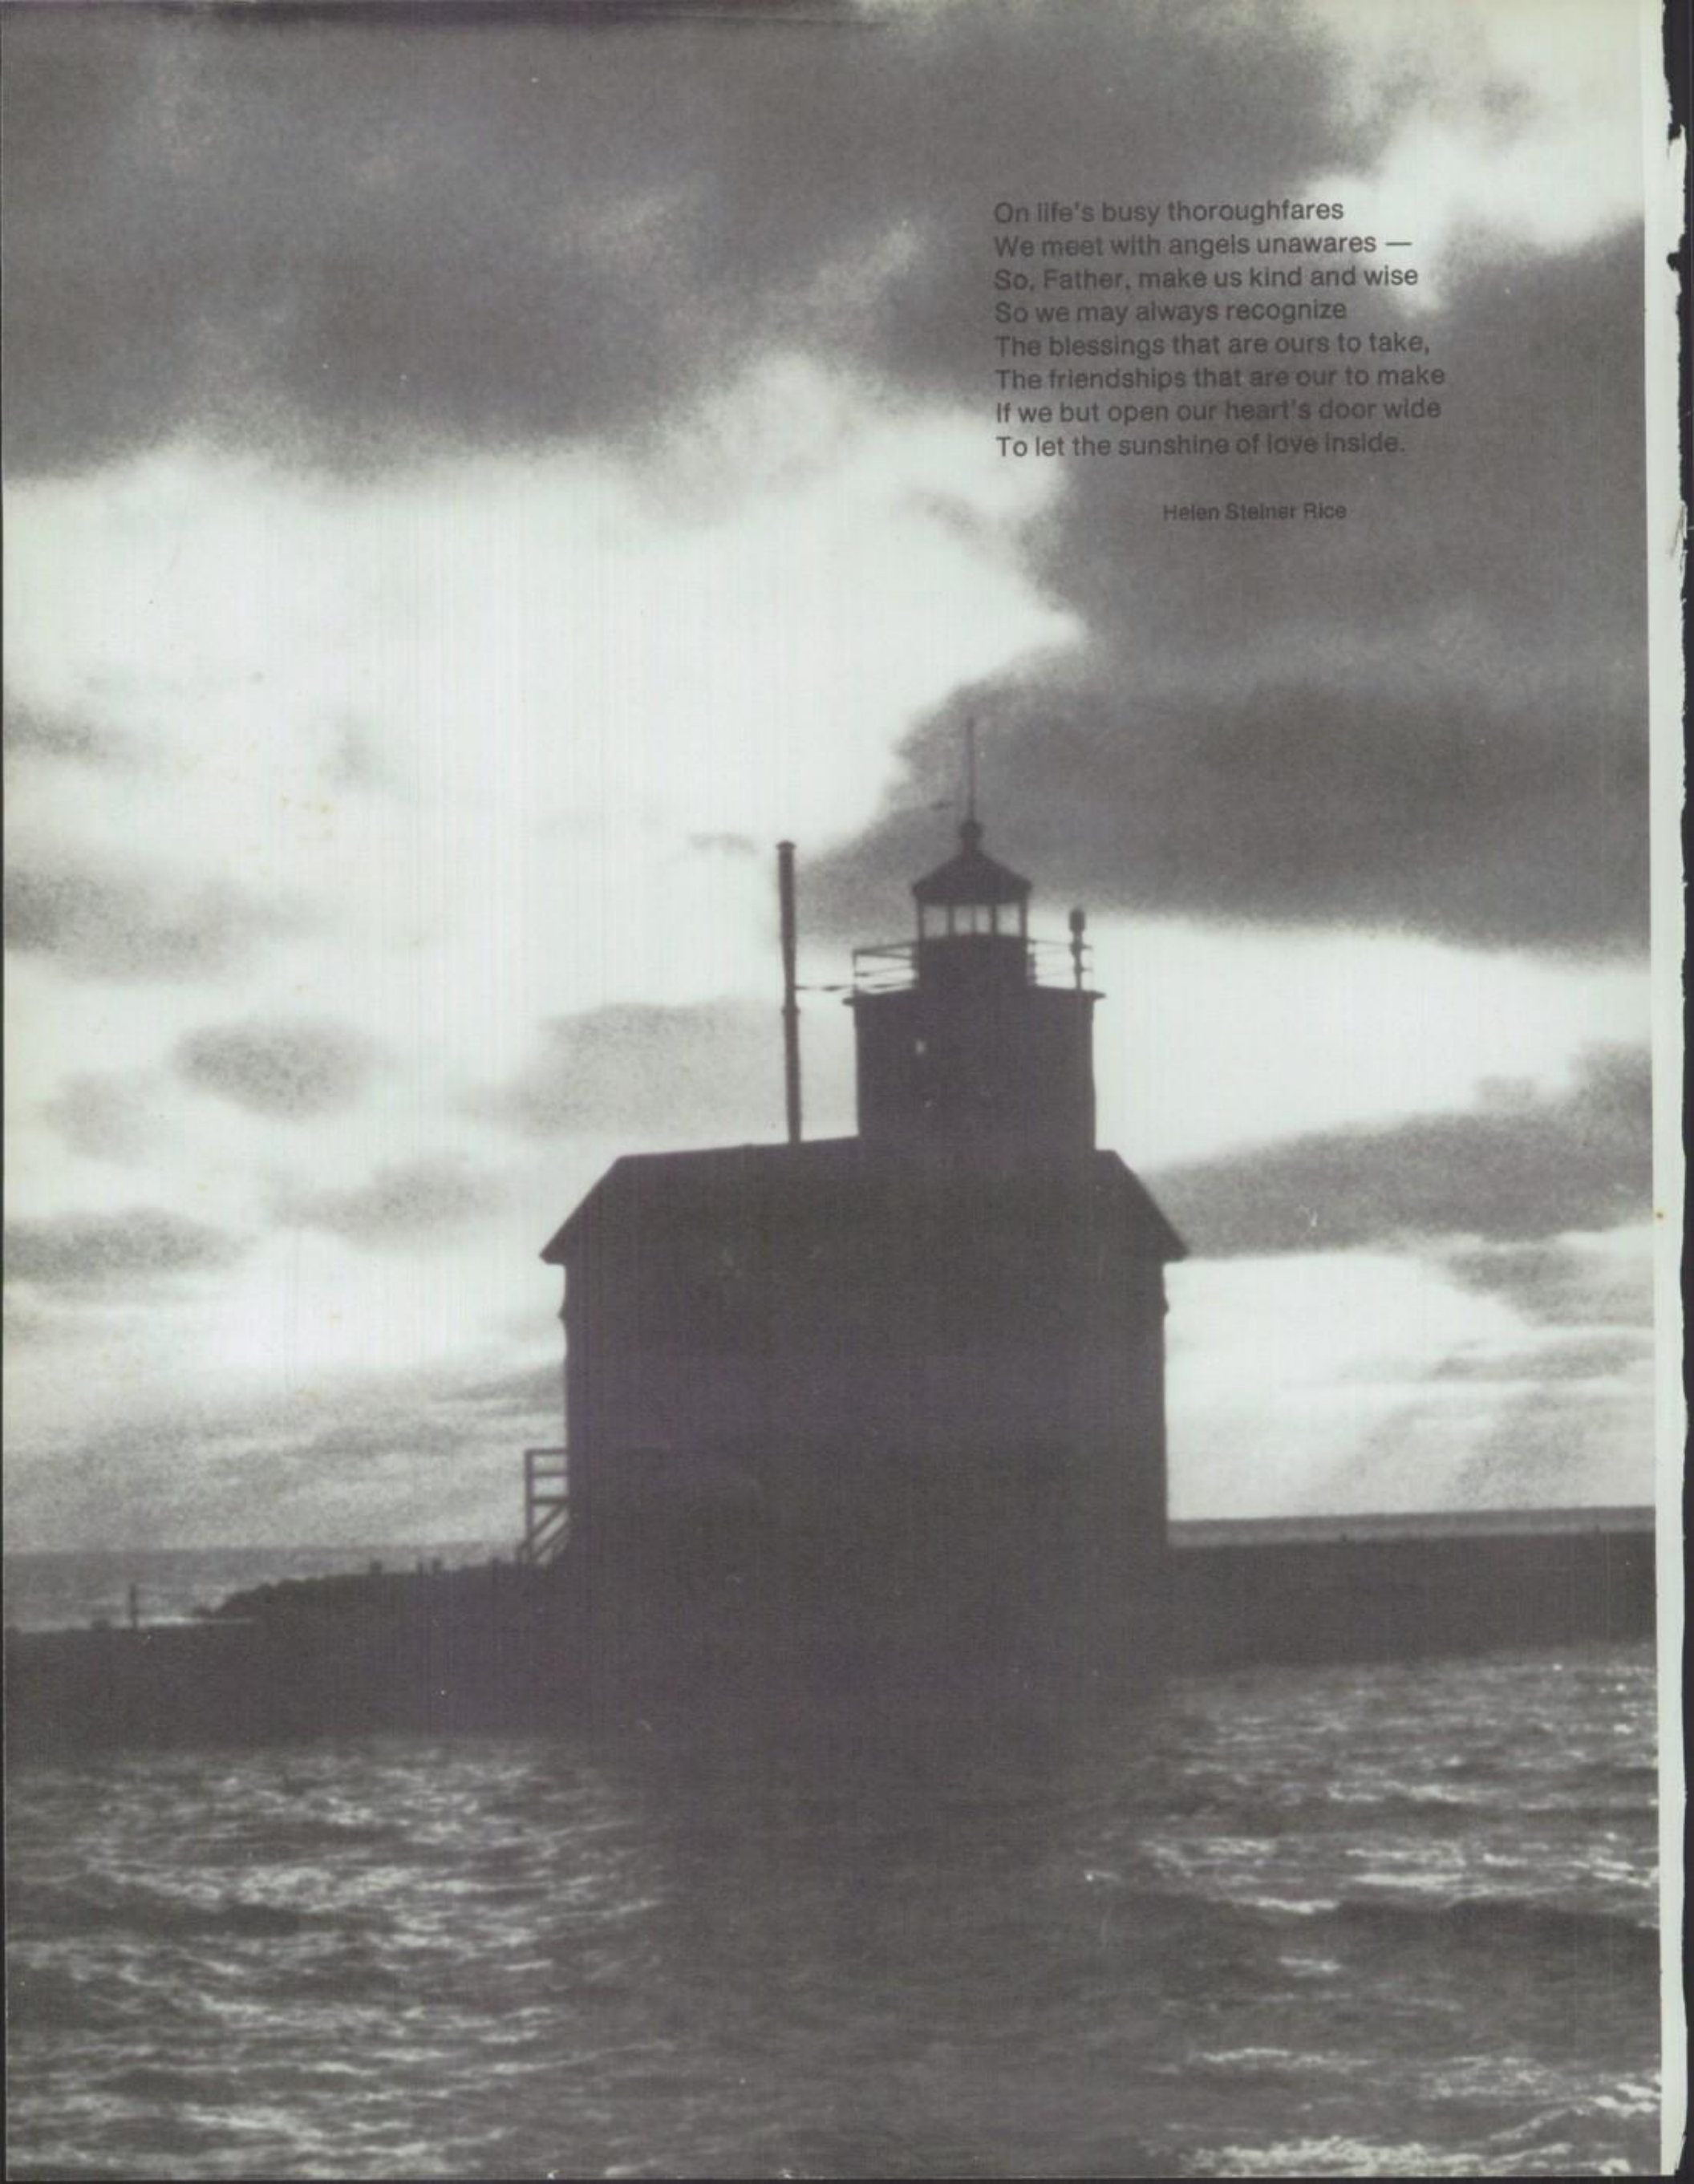


The promises of the Lord are promises that are pure, silver refined in a furnace on the ground, purified seven times.
Psalm 12:6



Let him who is taught the word share all good things with him who teaches.

Galatians 6:6



On life's busy thoroughfares
We meet with angels unawares —
So, Father, make us kind and wise
So we may always recognize
The blessings that are ours to take,
The friendships that are our to make
If we but open our heart's door wide
To let the sunshine of love inside.
